## Starr Report

### Fulton has a 'Spring' in her step

Soap diva **Eileen Fulton** (Lisa, "As The World Turns") will be a guest on Tuesday's "Live with Regis & Kelly" (9-10 a.m./Ch. 7), promoting her cabaret gig, "After All It's Spring," running at Don't Tell Mama (April 12, 13).

Not only does Fulton have to rise early for her "Regis & Kelly" appearance, but she'll be up late on Monday attending **Joan Jeddell's** Hampton Sheet bash at Lutece to celebrate the Spring 2002 issue — featuring "Sex and the City" star **Kim Cattrall** on the cover. Then she heads over to Roth's Westside Steakhouse (one of her favorites) for a bite to eat before hitting the hay. Whew!
