JOHN and Margo Catsimatides gave a party for Bill Fugazy who began Fugazy Limousine, Ellis Island Awards, Forum Club, etc., and comes right after the Statue of Liberty, Empire State Building, Radio City and GW Bridge in terms of New York landmarks. So I'm talking with Lee Iacocca and Joan Jedell, who's taking photos for her Hamptons magazine. A young blonde races up excitedly with: "Oh, I love you. I'm such a fan. I'm so dying to meet you." I grab my pen, preparing to give this understandably worshipful creature my fabulously valuable autograph, when she says: "Where's your camera?" Camera? What camera? "Oh," she says, "Aren't you Joan Jedell?"

Only in New York, kids, only in New York.
