TALK ABOUT road rage — what about goody-bag rage in the Hamptons? That's what happened when mover-shaker **Joan Jedell** held her Hamptons Sheet Hot Shots Exhibition at Southampton's Capri Hotel.

Guests included **Denise Rich, Marty Richards, Abe Vigoda, Ellen Evans, Elizabeth Fekkai, Laura Steinberg, Bill Bratton, Rikki Klieman, Carl Spielvogel, Betsy McCaughey**, all of whom are too polite to squabble over free gifts.

But some others did, and here are a few comments from the crowd: "I work for the mayor. I should have one" ... "The best goody bag I ever had!" ... "I got a hernia carrying the bag out. I'm writing a formal complaint" ... "But I need another for my sister and my lawyer" ... "You could be charged with sexual discrimination for this," said a male guest, who believed only women were getting them.
