Six**.com

**Richard  
Johnson**

With Paula Froelich  
and Chris Wilson

## We hear . . .

THAT beloved Post columnist Neal Travis will be remembered tonight at Le Cirque by scores of his friends — and sources — including **Mario Cuomo, Al D'Amato, Marty Richards, Ben and Elke Gazzara, Jerry Della Femina and Judy Licht.** The evening, organized by photographer **Joan Jedell**, is also bon voyage to Neal's widow, **Tolly**, who is moving back to her native Australia.
