THE season, it is upon us. **Rikki Lauren, Ralph Lauren's** mis-sus, began her Christmas shopping yesterday ... THE Accessories Council dinner. **Brooke Shields:** "Once my mother, wearing nothing but a fur coat and stilettos, came into a restaurant where her boyfriend **Vinnie** was, opened her coat, flashed him then walked out. She said later, 'Didn't matter what I wasn't wearing — as long as I was accessorized.'" ... THE Stella Adler event. **Warren Beatty** was not only approachable, but he actually told photog **Joan Jedell** he's "enjoying" the flash bulbs. What with being out of the limelight a while, must be an energy boost to know fans still love him.
